
I am participating in the 2010 Tremendous Trek. All proceeds from the trek will be donated to the Gundagai Sub-Branch of CanAssist. You can sponsor me for an amount per kilometer that I walk or you can nominate a total pledge amount that you are willing to contribute. After I complete the trek, I will come back to you to let you know how far I walked and to collect your donation. Tax receipts can be provided for donations greater than $5 - I will pass your details onto CanAssist who will arrange for a tax receipt to be forwarded to you.

Thankyou for your support!
